APPLICATION TO ERECT A FENCE, WALL, CULVERT OR BRIDGE

Ref: _____ **BMPBU** _____

Requirements

- ✚ 2 Complete sets of working Drawings for fence plan.
- ✚ Copy of Land Title or Land Register Report
- ✚ Zero Balance from Property Fee & Garbage Fee

GUIDELINES

1. A fence or wall should not exceed six feet in height.
2. The upper parts of the structure must not be of solid construction. This is to ensure that visibility is not impaired. This is particularly important at road junctions.
3. The design must be visibly acceptable.
4. Construction must not encroach on adjacent property.
5. Culverts must have headwalls and an inspection clean out at twelve feet intervals maximum.

Name: _____
